Aficio™ FX10

Aficio™

The Digital Document Workstation for Your Desktop

RICOH
Image Communication

Your Personal, Flexible Office Service

The versatile talents of Ricoh's Aficio™FX10 will surely be an asset to your personal office. For your convenience, it combines the features of a plain paper laser fax and a sharp digital black-and-white copier. Thanks to the PC-connectivity kit the Aficio™FX10 can be turned into a highly practical GDI laser printer, while its scanning function allows you to edit scanned images on your PC. Thanks to a PC-Fax feature, you can access the Aficio™FX10 from your desk for smooth fax communication at all times.

OfficeStyler software further enhances the possibilities of the already versatile Aficio™FX10 by offering powerful DTP management features. For confidential documents, the Aficio™FX10 can play an important role in your office communications by being your individual document workstation that can be conveniently placed on your desktop.

Aficio™ FX10

The paper sizes given in this brochure are:

A3 = 297 x 420 mm	B3 = 353 x 500 mm
A4 = 210 x 297 mm	B4 = 250 x 353 mm
A5 = 148 x 210 mm	B5 = 176 x 250 mm
A6 = 105 x 148 mm	B6 = 125 x 176 mm

Unless stated otherwise, paper weight is 80g/m².

Your Personal Copy Service

Besides being your own personal fax, the Aficio™FX10 teams up as your desk copier boasting an output quality typical of digital units. Conveniently placed right on your desk or within easy reach, the Aficio™FX10 copies reports and letters at the comforting speed of 10 copies per minute.

Copy Quality

The Aficio™FX10 copies at 400 dpi resolution. Add 64 shades of grey ensuring subtle halftones, fine lines and photos that equal the original, and you can be sure that the Aficio™FX10 always produces crisp and clear copies. Photographs and images turn out as clearly as plain text thanks to the special photo mode button on the operation panel.

Simple and Sorted

Thanks to its digital technology, the Aficio™FX10 makes paper handling simple and straightforward. It comes equipped with a 30-page auto document feeder (ADF) that tackles your copy jobs without even blinking. By means of an optional 2 MB or 4 MB memory card, originals can be scanned and stored in memory. From there the Aficio™FX10 digitally runs your copy job, offering the advantage of electronic sorting. Copied sets are neatly sorted which improves working efficiency in the office.

Scan once, copy many

The Aficio™FX10 only scans a document once to reproduce up to 99 copies. This reduces wear and tear of the scanner to a minimum, ensuring you of the highest level of reliability.
(2 MB / 4 MB memory card required)

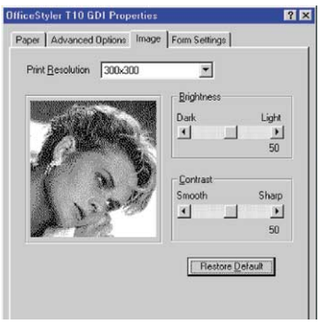
Extra Paper Capacity

The Aficio™FX10 relies on its built-in 150-sheet paper capacity. You can upgrade by an extra 100 sheets by selecting the optional paper cassette type 10.

The Aficio™FX10 comes equipped with a 30-page auto document feeder (ADF) that tackles any copy job.

The Aficio™FX10 digitally runs your copy job. Thanks to a 2 MB/4 MB memory card, it offers the advantage of electronic sorting, neatly sorting copied sets.

The photo mode ensures subtle halftones, fine lines and photos that equal the original.



Your Personal Fax Service

With the Aficio™FX10 Ricoh meets the personal office needs of users in search of a convenient fax with extra functionality. A powerful plain paper fax with exclusive features, the Aficio™FX10 lives up to your expectations thanks to high scan and transmission speeds. The Aficio™FX10 is everything you could want from a personal digital document workstation, and… it can sit next to you on your desk.

Expediting Things

The Aficio™FX10 scans a standard A4 document in 2.3 seconds and transmits it in just 6 seconds thanks to a fast modem speed of 14,400 Bps. In addition, when communicating with other facsimiles which incorporate Ricoh's AI (Artificial Intelligence) protocol, your overall transmission time is reduced saving greatly on your telephone. A practical print speed of 10 pages per minute limits unnecessary waiting, improving office communication. Moreover, the Aficio™FX10 offers some practical advantages that a standard fax does not, such as scanning from the platen glass and book-type original transmission. The fax memory features 244 KB memory as standard which - to further improve efficiency - can be expanded with optional fax expansion cards (1 MB, 2 MB and 4 MB).

The Aficio™FX10's dual access function allows dual operation. Its fax memory can either send or receive documents while for example the printer simultaneously runs off a file from your PC.

Key Quality

The Aficio™FX10 is a fax with exceptional output quality available only from digital units. Advanced technology offering 400 dpi fax resolution, super smoothing and 64 shades of grey ensure subtle halftones, fine lines and photos that equal the original. The Aficio™FX10 consistently provides you with crisp and clear faxes.

Environmentally Friendly

Today the environment has rightly become a significant concern in our society. Ricoh assumes its responsibilities wherever it can. That is why the Aficio™FX10 comes with an energy saver function. After five minutes of non-use, power consumption will automatically drop below 8 watts. However, your fax will remain accessible for incoming messages, and when you place a document on the ADF, the LCD will light up immediately, ready to roll. The Aficio™FX10 also boasts an ecological design that facilitates dismantling and parts recycling.

Scanning from the platen glass and book-type original transmission is straightforward and easy on the Aficio™FX10.

The Aficio™FX10's dual access function allows dual operation such as sending or receiving documents while the printer simultaneously runs off a file from your PC.

The energy saver function on the Aficio™FX10 automatically drops power consumption after five minutes of non-use. Your fax will remain accessible for incoming messages.

Aficio™ comes from the Latin root "Afficio", which reflects Ricoh's creative concept of "commitment to customer satisfaction". Aficio™ embraces the meanings "manage", "handle", "move" and "influence". To manage customer satisfaction, Ricoh handles customers' problems and moves toward a solution that influences the market with innovative digital technologies. Digital image processing, network connectivity and communications form the focus of every Aficio™ product.
